Art on Paper Returns in September for Highly Anticipated Eighth Edition

New York, New York -- [Art on Paper](#) returns to downtown Manhattan's Pier 36 from [September 8th through 11th](#) with 100 galleries featuring top modern and contemporary paper-based art. Art on Paper's medium-driven focus continues to bring about unique and powerful projects - visual, experiential moments that have set the fair apart and established Art on Paper as an important destination for the arts in New York City.

Visitors will also be treated to any array of innovative **paper-based programming**. Dublin's **Stoney Road Press** will present a large-scale interactive installation by **Leah Hewson** titled *Kin Connection*, professor emeritus of NYU and former Head of the Department of Art, **Angiola Churchill**, will showcase *Pandora Box II*, a work that was initially featured in the Venice Museum and was awarded a Golden Lion by the mayor of Venice, in collaboration with her gallery, **Wook+Lattuada**, and **Accola Griefen Fine Art** will showcase a work by **Bang Geul Han** from the artist's ongoing series *Warp and Weft*, involving a series of hand-woven tapestries constructed from paper printouts of legal documents (from state codes concerning abortion, and anti-immigration memoranda to Supreme Court opinions.) More installations will be announced soon.

Additionally, the fair will feature a strong presence from returning NY Galleries such as **SEIZAN, Muriel Guepin Gallery, Tuleste Factory, The Tolman Collection of New York, Sugarlift, Walter Wickiser Gallery, Vietnamese Contemporary Fine Art, Heliotrope, Accola Griefen Fine Art, and Aux Gallery**, as well as other new and returning domestic and international exhibitors, including **Electric Works, K. Imperial Fine Art, CK Contemporary, Sous Les Etoiles Gallery, Koplín Del Rio, Spanierman Modern, Richard Levy Gallery, Tulsete Factory, Beatriz Esguerra Art**, Dublin's **Stoney Road Press**, Colombia's **Beatriz Esguerra Art**, Netherlands' **Chiefs and Spirits** and Argentina's **AC Contemporary Art**, among many others.

For this eighth edition, Art on Paper will partner with **over thirty institutions** from around New York City including **Africa NXT, American Folk Art Museum, ArtTable, Association of Women Art Dealers, Brooklyn Museum, Bronx Museum, Children's Museum of the East End, Japan Society, Neue Galerie, POWarts, Print Club of NY, The Jewish Museum**, and many more.
